

IR Dance Presents
2023 RECITAL

JUNE 17, 21 & 22 2023

CINEPLEX QUEENSWAY

As we work towards reconciliation with the original people of this land, it is important to consider the history of what we now call Canada and how we have arrived at this moment of time. Reconciliation can't be achieved without acknowledging the land on which we work and dance, the water that flows through this territory and the traditional caretakers of both. We take this moment to do that now.

IR Dance is located on the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples. Toronto is covered by Treaty 13 with the Mississaugas of the Credit.

Takaronto, now commonly called Toronto, is now the home to many diverse First Nations, Inuit and Métis peoples from across Turtle Island. We are grateful to work on this land.

Directors' Note

This year has been incredible. We are back in full swing and have witnessed so many wonderful things happen throughout the season. From the return of the Boogie Bash, our exciting competition achievements, to preparing for Witches, Wands & Wizards, it has been a fun and energetic year!

Thank you to all of our families for your loyalty and support throughout the years, especially the last few. It's been a wild ride but we are so happy that we get to continue to provide a community for your dancers to be a part of and for us to be a part of your lives as well. It truly is an honor.

A huge thank you goes out to our staff. We have an incredible team and are very grateful that you are sharing your passion with us. You have worked tirelessly this year in classes and have shown your dedication through your work with our dancers. Our community is greater because you all are an integral part of it.

To our dancers, thank you for making our jobs so incredibly fun. You all have worked so hard this year and it shows in every way possible. Your positive energy in class has helped you all achieve many things this year. You should all be very proud of yourselves!

We wish all of our families and dancers a safe and happy summer. Thank you again for your support and we look forward to another fantastic season next year. See you in September!
